counties before locating. been placed. They are what is known as loading wheat and flour very complete. the "Boulevard" pattern, of the largest dimensions and finest finish. The old flickerers will now come down.

Col. H. W. Lewis, president of the Kansas National bank, who is a good judge of ter for cleaning wheat. On the art and artists, has left his order with A. S Merriett for a life sized picture of himself That Mr. Merriett will give entire satisfac tion we have not the least doubt.

Doc. Greenice was up from Clearwate yesterday. The Sun Flower track has crossed the Cowskin. Touching the republican nominee for president, the Doctor aid it was splendid, and that he regarded Blaine not only as a great man, but as clear as democracy itself; which, from a democrat, is quite a concession.

The district court is still occupied with the Davis divorce suit. The connubial relations of the parties it would seem from the cart-loads of testimony failed to conjugate harmoniously. In the meantime the history of the unhappy family is being very minutely dissected at the expense of valuble time of the court and officers.

Kos Harris came up yesterday afternoon Reels" for dressing flour. These machines
